Dear Ordinary Shareholder

Registered Office:

4 August 2023

Renold will be holding its 2023 Annual General Meeting at Trident 2, Trident Business Park, Styal Road, Wythenshawe, Manchester, M22 5XB at 11 am on 5 September 2023. The formal Notice of Annual General Meeting is set out on pages 5 to 8 inclusive of this document.

This year the Board is planning to have a physical meeting where Ordinary Shareholders will be able to meet with the Directors. However, shareholders should note that they may appoint the Chair of the meeting as their proxy to ensure that all votes can be counted and exercised at the 2023 Annual General Meeting.

We will provide information on our website, [investors.renold.com](https://investors.renold.com), regarding any changes to the General Meeting arrangements, and we encourage shareholders to check regularly for updates.

The results of the votes on the proposed Resolutions will be announced in the normal way as soon as practicable after the conclusion of the 2023 AGM.

In the remainder of this letter, I seek to explain certain elements of the business to be considered at the 2023 Annual General Meeting.

Resolutions 1 to 9 will be proposed as ordinary resolutions and Resolutions 10 to 12 will be proposed as special resolutions. The proposed ordinary resolutions will be passed if more than 50% of the votes cast are in favour and the proposed special resolutions will be passed if at least 75% of the votes cast are in favour.

## ***The ordinary business to be proposed at the 2023 Annual General Meeting***

The ordinary business to be proposed at the 2023 Annual General Meeting is set out in Resolutions 1 to 8 inclusive.

## **To receive the Annual Report and Accounts for the financial year ended 31 March 2023 (Resolution 1)**

The Directors are required by the 2006 Act to lay the audited report and accounts of the Company and its subsidiaries before the shareholders each year at the annual general meeting.

## **Approval of the Directors' Remuneration Report (Resolution 2)**

The Directors' Remuneration Report is set out in full on pages 80 to 89 of the 2023 Annual Report and Accounts. Resolution 2 is an ordinary resolution to approve the Directors' Remuneration Report. Resolution 2 is an advisory Resolution and, accordingly, the entitlement of a Director to remuneration is not made conditional on the Resolution being passed.

## **Directors (Resolutions 3 to 6)**

In accordance with accepted practice, Tim Cooper, Andrew Magson, Victoria Potter and I, as Non-Executive Directors, will put ourselves forward for re-election by the Ordinary Shareholders, with the recommendation of the Board.

Brief biographical details of each Director subject to re-election can be found in the Annex to the Notice of Annual General Meeting.

## **Auditors (Resolutions 7 to 8)**

Resolution 7 relates to the appointment of BDO LLP as the Company's Auditor to hold office until the next annual general meeting of the Company. Resolution 8 seeks shareholders' authorisation for the Board to authorise the Directors to determine the remuneration of the auditors.

### ***The special business to be proposed at the 2023 Annual General Meeting***

In addition to the ordinary business, you will find Resolutions 9 to 12 inclusive, which will be proposed at the 2023 Annual General Meeting as special business. A detailed explanation of Resolutions 9 to 12 follows.

#### **Authority to allot Ordinary Shares (Resolution 9)**

Resolution 9 deals with the Directors' authority to allot shares. The Directors are currently authorised to allot relevant securities of the Company but their authorisation ends on the date of the 2023 Annual General Meeting. This resolution seeks to renew the Directors' authority to allot shares.

In accordance with the guidance issued by The Investment Association (IA), Resolution 9 will, if passed, give the Directors the authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares up to a maximum nominal amount of £7,506,410 representing 150,128,215 Ordinary Shares and approximately 66.6% of the issued ordinary share capital of the Company as at the date of this document. Of this amount, 75,064,107 Ordinary Shares representing approximately 33.3% of the issued ordinary share capital of the Company can only be allotted pursuant to a fully pre-emptive offer. The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to follow best practice as regards its use as recommended by the IA.

This authority would expire on the earlier of the conclusion of the Company's next annual general meeting and 5 December 2024. The Board intends to seek its renewal at subsequent annual general meetings of the Company.

As at the date of this document, the Company held no shares in treasury.

#### **Disapplication of statutory pre-emption provisions (Resolutions 10 and 11)**

Resolution 10 seeks to renew the authority conferred on the Directors at last year's annual general meeting to issue Ordinary Shares for cash without complying with the pre-emption rights in the 2006 Act in certain circumstances.

If approved, Resolution 10 will authorise the Directors to issue shares in connection with a rights issue or other similar issue and otherwise to issue shares for cash up to a maximum nominal amount of £1,127,088.70, which includes the sale on a non-pre-emptive basis of any shares the Company may hold in treasury for cash. The maximum nominal amount of equity securities to which this authority relates represents approximately 10% of the issued ordinary share capital of the Company as at the date of this document.

Resolution 10 will, in addition, authorise the Directors to issue additional shares up to an amount equal to 20% of any allotment of equity securities or sale of treasury shares made under paragraph (b) of Resolution 10 for the purposes of making a follow-on offer which the Board determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights.

Resolution 11 will, in addition to any authority granted pursuant to Resolution 10 above, give the Directors authority to allot equity securities free of pre-emption rights, up to a maximum nominal amount of £1,127,088.70, representing an additional 10% of the issued ordinary share capital, for transactions which the Board determines to be an acquisition or other specified capital investment.

Resolution 11 will, in addition, authorise the Directors to issue additional shares up to an amount equal to 20% of any allotment of equity securities or sale of treasury shares made under paragraph (a) of Resolution 11 for the purposes of making a follow-on offer which the Board determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights.

The disapplication authorities proposed by Resolutions 10 and 11 are in line with institutional shareholder guidance, and in particular with the Pre-Emption Group's Statement of Principles published in November 2022 (**Pre-Emption Principles**). The Pre-Emption Group's Statement of Principles allows the annual disapplication of pre-emption rights to include:

- 10 per cent of issued ordinary share capital to be issued on an unrestricted basis;
- an additional 10 per cent of issued ordinary share capital to be used for either "an acquisition or specified capital investment"; and
- a follow-on offer to existing holders of securities not allocated shares under an issue made under either of the two bullets above.

To reflect best practice, as set out in the Pre-Emption Group's monitoring report and template resolutions published in November 2022, Resolutions 10 and 11 are proposed as two separate Resolutions.

If granted, Resolutions 10 and 11 would expire on the earlier of the Company's next annual general meeting and 5 December 2024.

#### **Authority to purchase Ordinary Shares (Resolution 12)**

Resolution 12 seeks shareholders' authority for the Company to make market purchases of its own Ordinary Shares. The Directors have no present intention of exercising this authority but would wish to have the flexibility to do so in the future. Purchases of its own Ordinary Shares would only be made through the London Stock Exchange. Any Ordinary Shares purchased would be cancelled (in which case the number of Ordinary Shares in issue would thereby be reduced) or held in treasury, depending on which course of action is considered by the Directors to be in the best interests of the shareholders at that time.

As stated above, the Directors have no present intention of exercising the authority to purchase the Company's Ordinary Shares but will keep the matter under review and will only exercise the authority to make purchases of Ordinary Shares granted by Resolution 12 if they believe that to do so would result in an improvement in earnings per share and/or is in the best interests of the shareholders generally. The maximum number of Ordinary Shares which may be purchased is 22,541,774 representing approximately 10% of the issued Ordinary Shares as at the date of this document. The authority would expire on the earlier of the conclusion of the Company's next annual general meeting and 5 December 2024. The minimum price that could be paid for an Ordinary Share would be the nominal value of such Ordinary Share and the maximum price would be the higher of (i) 5% above the average of the middle market quotations of the Ordinary Shares (as derived from the AIM Appendix to the Daily Official List of the London Stock Exchange) for the five business days immediately prior to the contracted purchase date and (ii) an amount equal to the higher of the price of the last independent trade and the highest current independent bid for any number of Ordinary Shares on the London Stock Exchange, in each case excluding expenses.

As at 27 July 2023, options over a total of 22,563,824 Ordinary Shares were outstanding and not exercised. That number of Ordinary Shares represents approximately 10.01% of the Company's total issued ordinary capital as at the same date. It would represent approximately 11.12% of the issued ordinary share capital if the authority to purchase the Company's own Ordinary Shares conferred by Resolution 12 had been exercised in full at that date and the shares so purchased had been cancelled.

***Action to be taken***

A reply-paid form of proxy for use at the 2023 Annual General Meeting is enclosed. Whether or not you are able to attend the 2023 Annual General Meeting, you are strongly advised to complete, sign, date and return the form of proxy in accordance with the instructions printed on it so as to arrive at the offices of the Company's registrars, Link Group, at PXS1, Central Square, 29 Wellington Street, Leeds LS1 4DL as soon as possible but, in any event, no later than 11 am on 1 September 2023.

***Recommendation***

The Board considers that the passing of Resolutions 1 to 12 inclusive is likely to promote the success of the Company and is in the best interests of the Company and of its shareholders as a whole and the Board unanimously recommends that you vote in favour of them, as each of the Directors who hold Ordinary Shares, and certain persons connected with the Directors who hold Ordinary Shares intend to do in respect of their own beneficial holdings of Ordinary Shares, being approximately 2.66% in aggregate of the Ordinary Shares in issue as at 27 July 2023 (being the latest practicable date prior to the publication of this document).

Yours faithfully

**David Landless**

Chair

## Notes

### Notice of Annual General Meeting Notes:

The following notes explain your general rights as a shareholder and your right to attend and vote at this annual general meeting (or **Meeting**) or to appoint someone else to vote on your behalf.

1. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of business on 1 September 2023. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
2. Shareholders, or their proxies, intending to attend the Meeting in person are requested, if possible, to arrive at the Meeting venue at least 20 minutes prior to the commencement of the Meeting at 11 am (UK time) on 5 September 2023 so that their shareholding may be checked against the Company's Register of Members and attendances recorded.
3. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the Meeting (as detailed in note 6 below). A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
6. Any member wishing to vote at the Meeting without attending in person or, in the case of a corporation, through its duly appointed representative, must appoint a proxy to do so. Forms for the appointment of a proxy that can be used for this purpose have been provided to members with this notice of meeting. To be valid, a proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority under which it is signed, or a certified copy of such item) to the Company's registrars, Link Group, at PXS1, Central Square, 29 Wellington Street, Leeds LS1 4DL so as to be received by 11am (UK time) on 1 September 2023 (or in the case of adjournment, by the time 48 hours, excluding non-working days, before the time appointed for the adjourned meeting). Alternatively, you may vote electronically at [www.signalshares.com](http://www.signalshares.com). You will require your username and password to use the portal to log in and vote. If you have not previously registered to use the portal, you will require your investor code (IVC) which can be found on your proxy card. Members who hold their shares in uncertificated form may also use the 'CREST voting service' to appoint a proxy electronically, as explained below.
7. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
8. The return of a completed form of proxy, electronic filing or any CREST Proxy Instruction (as described in note 11 below) will not prevent a shareholder from attending the Meeting and voting in person if he/she wishes to do so.
9. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion or withhold from voting.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from [www.euroclear.com](http://www.euroclear.com)). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by 11am (UK time) on 1 September 2023 for this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

13. Proxymity Voting - if you are an institutional investor, you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to [www.proxymity.io](http://www.proxymity.io). Your proxy must be lodged by 11am on 1 September in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting (excluding non-working days). Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
14. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares. Any such representative should bring to the meeting written evidence of his appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment.
15. As at the date of this document the Company's issued share capital consists of 225,417,740 Ordinary Shares, all carrying one vote each and 580,482 units of 6% cumulative preference stock of £1 each carrying no voting rights. The Company does not hold any shares in treasury. Accordingly, the total voting rights in the Company are 225,417,740 Ordinary Shares.
16. Under Section 527 of the 2006 Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's financial statements (including the Auditor's Report and the conduct of the audit) that are to be laid before the Meeting, or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual financial statements and reports were laid in accordance with Section 437 of the 2006 Act (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under Section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.
17. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
18. The following documents are available for inspection during normal business hours at the registered office of the Company on any business day from the date of this Notice of Annual General Meeting until the time of the Meeting and may also be inspected at the Meeting venue, as specified in this Notice of Annual General Meeting, from 11am on the day of the Meeting until the conclusion of the Meeting: copies of the Directors' letters of appointment or service contracts.
